## SEN Drop-In

On Tuesday 13th June at 9am there will be a drop-in session for you to meet the school's Special Educational Needs Coordinator and discuss any concerns or worries you have about our child. Please come to the main school office.

## School Lunches

As you will be aware food prices have been rising over the past few months. This has had an impact on the cost of a school meal. Reluctantly the Governors have decided to raise the cost of a school meal to £2.35, as from the start of the new school year in September. This is still the cheapest in the Trust. Governors also want you to be aware that if food costs continue to rise they may need to increase this again during the year.

Also a reminder to Year 2 parents that Universal Free School Meals are only available to the end of Year 2 and so from September you will need to pay for your child's lunch.

## School Governors

The School Governors are looking for someone to co-opt onto the school's Governing Body. If you know anyone who would be interested please let the School Office know.

## Playground Equipment

For health and safety reasons please would you ensure your children do not play on the playground equipment before and after school when not supervised by a member of staff. Thank you.

## African Children's Choir

I have attached the information again about the African Children's Choir, just in case you are interested in hosting a child.
