Year 1 in school

It has been lovely to have the Year 1 children back in school this week. Miss Rawding and Miss Nicholson have been really pleased by the way they have returned to school and got back to work.

Sports Week

We are intending on holding a virtual sports week on the last week of term. We will be placing activities on the class pages of the school website and doing the activities in school. Points will go to the children's teams and the Sports Day Cup will be awarded.

Clarification

There is beginning to be a little confusion about some of the new rules we are having to put in place to ensure safety in school so I am going to clarify them below.

PE Kits - These are to be brought in on the days the children are doing PE and taken home and washed in between.

Muddy Mondays/Fresh Air Fridays outfits - These can be brought on a Monday and taken home on a Friday as they are washed down by staff after each use.

School Bags/Bookbags - school bags, apart from PE Kits are not to be brought into school.

Packed Lunches - Packed lunches must be in plastic containers or disposable bags, not in fabric packed lunch bags.

Water Bottles - Children must bring into school a named water bottle each day.

One Way System - To help adults keep 2 metres apart while on school premises we have a one way system operating on both playgrounds. Please will you ensure you enter through the entrance gate rather than the exit. Thank you.

Autumn Term

The Government have announced today that their intention is that all children are to return to school in September and this is what we are planning for at present. I will be able to give you further details of our plans, and the teacher your child will have, in the coming weeks.

School Dinners

School Dinners are now available to order on ParentPay. If your child is returning to school next week, please remember to place your order on ParentPay as soon as possible, unless they are going to be bringing a packed lunch from home.
