FOS 'Framble'

Today the children have been raising money for the Friends of School by doing the 'Framble'

Lots of children have come to school dressed up as book characters ready to complete the walk around Carlton Lodge.

Can I take this opportunity to thank all of those on the FOS Committee who have continued to raise money for the school throughout this year and part funded many of the trips and events that we have been able to do. They have also given money for the improvements to the outside equipment. This funding really makes a difference to what we can provide for your children at school.

Below is a list of things that FOS have contributed to, this year:-

- Virtual Reality experience for KS2
- Planetarium experience for KS1
- Christmas parties/pantomime for each class
- Carlton Lodge day (Class 3 and 4)
- £750 contribution to school trips in the summer term for Reception, Class 1, Class 2, Class 5 and Class 6
- Ukuleles
- Oxford Owl books subscription
- First Aid course for Class 6
- New Playground equipment.

New Classes

The children will be visiting their new classes on Monday and Tuesday morning. They are to come in as normal and register with this years class and then they will go to their new classroom.

CARLTON MINIOTT PRIMARY ACADEMY

New School Year

Following Boris' announcement, we can start planning for school to return to more of a normal way of working next year. However, where things have been improved through changes we have made, we will try and build these in.

School will return to the normal start and finish times of:-

	<u>Start Time</u>	<u>Finish Time</u>
Reception Class -	9am	3.15pm
Years 1 and 2	8.55am	3.25pm
Years 3, 4, 5 and 6	8.55am	3.30pm.

Doors will be open at 8.45pm for all children to come into school. We would really like the KS2 children to be here for this time so we can maximise the morning learning. Children can queue down the path when they arrive at school as they have been doing.

A member of staff will be on the KS1 playground from 8.45am and then doors will be open for the children to come into school.

Drop off will start once again for those pulling into the layby. Please do not park here as you need to leave spaces for the school bus and nursery vehicles to pull in, in front of school.

Covid Restrictions for the Rest of Term

The Elevate Trustees have met, following the new Government guidance, and have decided to follow the Government recommendations that all Covid measures are to stay in place for the last week of term and therefore there will be no change to arrangements in school for the children.

Reports

We will be shortly sending out your child's report. Due to the situation this year there was no spring report so this will just contain Autumn and Summer. Please complete the feedback form and return it to school.

Bags2School

The Friends of School will be holding another Bags2School event on the weekend of 17th/18th July. The trailer will be parked at the ground's entrance gate over the weekend for you to put your bags in. They will be collected first thing on the Monday morning, 19th July.

Thirsk Community Library

Please see attached to this e-mail information from Thirsk Community Library regarding their Summer Reading Challenge and the various Summer Holiday Events.

They are fortunate this summer to have some Covid funding to be able to subsidise the cost of their holiday activities so the activities are either £1 per child or FREE.

Summer Holiday Clubs

Attached are details of various Summer Holiday Clubs being held locally which are available for your child to apply to attend.

Eat Well for Less

BBC One prime time series ***Eat Well For Less?*** – are currently casting for their 8th series and are looking for families / households who would like to eat well and save some money on their weekly shop.

“The show is on a mission to prove that it is possible for families and households to **save money** on their food budget **without scrimping on taste and nutrition**. We hope that by analysing the shopping habits of UK families, we can help to show where they can source the best and cheapest quality food.”
