Year 6 Visit to the Crematorium

On Tuesday, Class 6 were invited to visit the newly built crematorium near Skipton on Swale.

It was fascinating to see the scale of the building and the children had a very comprehensive tour of the grounds and the actual crematorium.

As usual, the children behaved impeccably and asked some very sensible questions.

The visit concluded a term of work in RE learning about different religions, their views on reincarnation and life after death.

Covid-19

As you will have seen from the letter from Nigel Ashley CEO earlier in the week, there is a lot of concern about the new Covid variant and the impact this may have in school.

Therefore, a number of measures have been introduced to limit the spread of the virus. This unfortunately includes not having parents/carers in for live performances. These will be recorded for you to enjoy at home. We are hoping that the children will still get to perform to the other classes in the school.

I would also ask that you take sensible precautions such as social distancing at drop-off and collection times so that we can get to Christmas without having another outbreak in School.
