Science Week

Last week was Science Week.

The children were learning about growth and trying to identify which animals had escaped from the Yorkshire Wildlife Park and reached our school.

As part of this week the children visited Mr and Mrs Wise on their farm and also Mr and Mrs Dodd at the Yorkshire Herb Farm.

Issue 14 (21/22) - 1st April 2022

Oliver Twist

On Tuesday we had M & M Productions in school to perform Oliver Twist.

It was lovely to have live theatre back in school after having two years without them and the children really enjoyed it.

I would like to thank Friends of School for paying for this visit.

Covid Update from 1st April

As of today children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can return to school, college or childcare when they no longer have a high temperature, and they are well enough to attend. Children and young people aged 18 and under, with a positive COVID-19 test result, should try to stay at home and avoid contact with other people for 3 days.

Teams

As we now have very few cases of Covid in school and we are trying to get back to as normal a school life as possible, teachers will no longer be putting work on Teams on a weekly basis. If your child is having to self-isolate due to Covid then please e-mail the class teacher to get work for them to do if they are well enough.

Parent Consultations

Thank you to everyone who responded to the recent Parental Consultation Survey. Overwhelmingly parents wished to return to face-to-face parents' evenings. Therefore, the Parents' Evenings during the first week back after the Easter Holidays will be live. We will still be using School Cloud to sign up and book an appointment time for these meetings. A letter with details about how to do this will be coming out next week.

Late Arrival at School

I am once again getting an increasing number of children arriving late for school. Children can arrive for 8.45am but must be in school for their start times which are:- Reception, Yrs 1 and 2 - 9am
Yrs 3,4,5 and 6 - 8.55am.

Thank you for your help with this.

Yrs 3 and 4 Easter Extravaganza Show

As you will be aware we are trialing a small Yr3/4 show at the end of this term, to showcase some of the work they have been doing. We will not be issuing tickets but due to fire regulations we will only be admitting two people per Yr3/4 family.

This show will take place at 6pm on Thursday 7th April. Please bring your children to school for the performance at 5.45pm.

Mrs Murray

Mrs Murray will be starting her Maternity Leave next week and we wish her all the best with the birth of her first child.

End of Term

School will close for the Easter Holidays on Friday 8th April. School will close at normal finishing times.

Traffic Issues

Please will you help the neighbours of our school by not using the area in front of the new houses in Carlton Miniott to turn around and ensure you do not block their drives. Our neighbours need to be able to get their vehicles in and out of their drives at all times. Thank you

Comic Relief - Coins

Thank you for your coin donations, we banked £61.68 for this cause.
