Class 2 - Emily Sutton Visit

Class 2 have spent the last two weeks exploring the work of famous local artist Emily Sutton and today, were surprised with a real life visit from the artist herself!

If you haven't heard of her, she is an incredible artist and illustrator who has done packaging designs for companies like Betty's and Charlie Bingham's posh ready meals.

Class 2 had an absolutely incredible afternoon, learning how to draw groups of objects using observation, shapes and colour to bring their drawings to life.

We also asked Emily lots of questions about her life as an artist and were lucky enough to see her real life sketch books.

All of Class 2 want to say a HUGE thank you to Emily Sutton, who (after a little Instagram message from Miss Rawding), gave up her own time, free of charge, to come and bring Class 2's learning to life!

She also donated all of the wonderful signed copies of her books for our class library!

On arrival please congregate in the Hall, where you can look at your child's books, and the teacher will come to collect you when it is your appointment time.

Reminder that all After School Clubs are cancelled next week, apart from JD Football and the Years 5/6 Tutoring sessions.

Yrs 3/4 Quicksticks Hockey Competition

Our Yrs3/4 Quicksticks Hockey Team had a very successful afternoon's competition at Thirsk School yesterday against local schools in our area.

They came home with the winners trophy and gold medals around their necks. As you can tell from their grins they were very pleased with their accomplishment. Well done.

Parking

Please can we ask, once again, that you are respectful of our neighbours when parking your cars at drop off and pick up times. A silver Volkswagon Up was parked yesterday right across a drive entrance and the owner of the property could not access her driveway when she returned home.

School Photographs

Phototronics will be in school on Friday 21st October to take photographs of the children. As in previous years they will also be able to take joint photographs of siblings.
