..... continued on page 2

## Welcome Back

Welcome back and Happy New Year. I hope you all had a lovely Christmas break.

## Year 5 Instrumental Lessons

This term Year 5 will be having weekly Brass Instrumental Lessons from the Music Service. They will each be provided with a trombone which they will be able to bring home to practice. More details will follow about this. These lessons will take place on a Monday afternoon.

## After-School Clubs

A letter with the details of our After-School Clubs, for this term, will be coming out later today. Places will be allocated on a first come, first served basis so please make sure you have completed the forms link by Wednesday 11th January. Clubs will start the week commencing Monday 16th January.

## Music Lessons

Mrs Jameson's Music Lessons will start on Friday 13th January and Guitar Lessons start on Monday 9th January. If you wish your child to start learning an instrument, please contact the school office for information.

## Parents Meetings

If your child is on our Special Needs Register we will be organising a meeting for yourself and your child's teacher to go through new targets for this Term. Your child's teacher will contact you to arrange these.

We are also holding a drop in session on Friday 27th January for anyone who wants to learn about Elevate SEN Provision and meet the Trust SEN Lead and our SENCO. This drop-in session will be at school from 9am until 10am.

# CARLTON MINIOTT PRIMARY ACADEMY

## Dates for your diary

### **2023** (continued)

- 10th February - School closes for Half-Term
- 20th February - School re-opens

## Curriculum

As you will remember the Key Development point on our OFSTED Report was to develop a more detailed progression for the teaching of the foundation subjects in school. We have been working on this over the last term with the Elevate School Improvement team.

We have now redesigned our curriculum page of the school website with more details of what we are teaching the children in these subjects and will be adding more details to it as the term progresses.

There are quick links to each subject area so you can find out how we teach that subject and you can see what the children will be learning in each year group.

I hope this will be useful for you and I would welcome any feedback to help us improve these pages.

## National Child Measurement Programme

The NCMP will be in school on Friday 3rd February to record the Height and Weight of our pupils in Reception and Year 6. If you are happy for your child to be measured there is nothing for you to do. NCMP only need to know if you do not want your child's height and weight to be measured. You will have had details about this e-mailed to you on the 19th October with all the information you need.

## Child Absence

Thank you for letting us know, as soon as possible, on the days when your child is going to be absent from school. Please can we ask, when you leave a telephone message, that you also state the nature of their illness rather than just saying they are unwell. Thank you.

## Appointments

If your child has an appointment to attend (dental/medical etc.) please can you let us know the details as soon as possible, preferably let us have a copy of the actual appointment notice, so we are aware of the details and can keep our records correct and up to date.
