Sporting Success

Swimming Gala

On Tuesday 10th January, we had a very successful Swimming Gala with our children taking part in Individual and Team Relay races. Each child took part in at least 2 races to produce a team score towards their final total, as well as earning individual medals for their event.

The team worked superbly together to earn a 1st Place finish. Well done.

Football

The Year 5 & 6 football team took part in the cluster schools football tournament on Wednesday, 18th January, at Thirsk High School. Local schools played each other over the course of the afternoon and we did exceptionally well.

We won the competition by beating all our opponents and not conceding a single goal in the process!

It was an amazing achievement and the team played well and were excellent ambassadors for the school.

Planetarium Visit

On Wednesday Yr 5 and Yr 6 children were treated to a Planetarium Experience.

A large dome was erected in the School Hall.

The children sat inside the dome and watched videos projected onto the Dome. They visited the different planets and learnt about the Space Race.

Thank you to Friends of School who funded this experience for the children.

After-School Clubs

We have lots of After-School Clubs taking place on a Mondays which means the path is quite crowded at pick-up time. To alleviate this can those parents picking up from Booster or Science Club please wait on the playground.

To help keep the children warm at Football Club on a Tuesday, please would you send your child with a pair of gloves to wear. Thank you.

Strike Action

As you know there is planned Industrial Action in February and March, by some Teaching Unions. I plan to keep school working as normal wherever possible but will send you more information when I have it next week.
