Cross Country

Yesterday 40 of our children attended the Thirsk Area Cross Country competition at Thirsk School. They all ran fantastically and made us very proud as they all kept on going even though it was a very long distance. A particular well done to Oliver (Class 4) who came 4th in his race, Thomas (Class 6) came 3rd, Lilly (Class 3) who came second and Oliver (Class 3) and Thomas (Class 5) who both came first in their races. Well Done.

Year 4 Visit to Segedunum Roman Fort

On Wednesday Class 4 visited Segedunum Roman Fort in Wallsend as part of their Roman project.

They spent the morning in a workshop learning to be a Roman Soldier and all about the equipment they would use. In the afternoon they explored the remains of the fort and visited a piece of Hadrian's Wall. There was a reconstructed piece of the wall where they could pretend to be Roman Soldiers. They also visited the Museum to look at the artefacts that were found when the fort was excavated.
