## Year 6 Visit to Teesmouth Field Centre

Last week, Year 6 visited the Teesmouth Field Centre to complete their geography work on rivers. They learnt about the journey of the River Tees from source to mouth. They visited the Tees Transporter Bridge and found out about present and past industry along the Tees.

In the afternoon they went to the beach to see the mouth of the river. On the beach they also built models of the river using any natural resources that they could find.

## Yrs 3/4 Cricket Competition

Our Yrs 3/4 Cricket Team went to Thirsk School to compete against other local schools.

They all played really well and enjoyed their day of cricket in the sunshine.

Last half term Class Three took part in a sponsored climb of Roseberry Topping to raise money for Cleveland Mountain Rescue.

This week one of the volunteer team members came in to talk to the children about what his job involves, how to be prepared on a mountain adventure and most excitingly the equipment they take on a rescue.

We also presented the team with Class Three's generous donation of £520! A very big thank you to everyone who supported this cause.

## Class Photographs

Phototronics will be in school to take class photos on Thursday 22nd June. Please ensure children are dressed smartly for these. For those pupils playing cricket on this day, they will have their photos taken first.

## Sports Shoes

We would like to keep a small collection of spare sports shoes in school for when children have forgotten theirs. If you have any trainers at home which your child has now grown out of / which are no longer in use and you would like to give them a good home, please would you consider donating them to school. Many thanks.
