## Year 5 visit to York Castle Museum

Year 5 had a great time visiting York Castle Museum and Clifford's Tower as part of their History topic on 'Crime and Punishment.'

The children went in cells once inhabited by prisoners; heard stories of some old inmates; researched the answers to enquiry questions; found out about the infamous highwayman, Dick Turpin; learnt about the history of Clifford's Tower and looked over the York skyline from the top of it.'

Thank you to all the children and adult helpers for a super trip.

### Summer Music Concert

On Tuesday 20<sup>th</sup> June, we celebrated the children's hard work with our Summer Music Concert. What an amazing turn out and audience we had for our musicians! We were so proud of how confidently the children performed. Over 50 of our children took part on the night, performing solos or duets on piano, violin, guitar and saxophone. We also welcomed our beginner recorder group and the CM School Choir. Well done to all of you - you were amazing!

### Choir – Hambleton Grange Care Home

On Thursday 13<sup>th</sup> July our Choir walked to Hambleton Grange Care Home. We were made very welcome by everyone. The Choir sang their hearts out and some of the residents joined in with our singing. When asked about their visit and singing, Phoebe said, "I really enjoyed that they looked so happy throughout our performance." Mollie added, "I really enjoyed it because it made them smile!" Well done Choir for sharing your enthusiasm with the community.

### Music for life – Sowerby Music

We were very fortunate to be able to welcome the musical duo, 'Travelling by Tuba'. To start the day, we were taken Around the World in a 60 minute concert. The whole school were captivated by the musicians and the instruments they used. Some children were able to try the instruments too. What an entertaining and informative start to the day!

The Year 2, 3 and 4 children joined together before starting the two workshops where they learnt a fun song with actions. In their workshops, the children were attentive as they were taught their rhythm patterns and how to play their instruments ready for their group Brazilian Samba or Mexican Salsa.

After the workshops, the children performed to the rest of the school. As they performed, they watched the conductor carefully so they knew when to play and responded to the instructions. They looked so professional. Both groups sang their 'Bala' action song, which they taught the rest of the school.

Teaching staff said that they thought 'it was the best music group we have ever had at school!' I would certainly agree! Travelling by Tuba, we hope you will visit us again.

### Universal Music UK Sound Foundation

Earlier this year, we applied for a grant from the UMUK. We were very lucky to be awarded £500 to spend on musical instruments from *Universal Music UK Sound Foundation*! We have updated some of our glockenspiels and managed to buy three mini keyboards as well as some lovely colourful handbells.
